**MERRIMACK INDUSTRIAL RAMP TOLL (EXIT 10)**  
**SOUTHBOUND ON-RAMP TO BE CLOSED FOR THREE NIGHTS**

The New Hampshire Department of Transportation announces the Merrimack Industrial Ramp Toll Plaza's (Exit 10) southbound on-ramp will be closed for three nights from Monday, March 28 through Wednesday, March 30, from 8:00 pm until 6:00 am each night.

This nighttime ramp closure is to allow for testing associated with the pending implementation of E-Z Pass electronic tolling.

Motorists seeking to enter the Everett Turnpike southbound during the planned closed periods will be detoured to the Exit 11 Ramp Toll Plaza, located one-half mile to the north.
